**J.P. Morgan**  
J.P. Morgan was a prominent American financier and banker. He was a member of the House of Representatives and served as the 22nd Governor of New York. He was the founder of J.P. Morgan & Co., which became one of the largest financial institutions in the world.

**Business Principles**

Their company was built with hard work over 200 years. They wanted to create a company that all can be proud of, and are confident that, working together, they'll build the best financial services company in the world.

Certain principles are fundamental to our success that they would like to describe them in some detail. If they can adhere to these principles -- and they are not in order of importance -- they'll reach our goal of becoming the best financial services company in the world. They also hope it will give you a roadmap on how and why they make them to decisions.
