WHAT IS "PHILANTHROPY"?

LET'S DEBATE!!!!

Do you think the idea of corporate social responsibility is really more profit driven or altruistic?

Let the Billionaire take the Cash
 - How does not reinvesting affect the philanthropic effect?
 - How can the poor in countries benefit from philanthropic business investment?

ALUMNI BUSINESS AND SOCIAL INTERESTS

Research the companies' impact on philanthropic organizations and the role of the donor or responsibility in the community. Write a short paper on your findings.

Philanthropy is:

- A Greek term which means "love of mankind"
- The act of giving to an idea, work, or action that is done for another's benefit.
