Hutchison Whampoa Limited: The Capital Structure Decision

TheCaseSolutions.com

Ports & Related Services

- Flagship company is Hong Kong International Terminals in Hong Kong
- World's busiest independently-owned container terminal operator
- Operating at the Kwai Tsing Container Terminal where there is currently a dock workers strike for better pay and working conditions

Hutchison Port Holdings

- Hutchison Port Holdings (HPH) was formally set up in 1994 to hold and manage HWL's ports and related services world-wide.
- HPH has since expanded globally to over 26 countries throughout the world.
- They are the world's leading port investor, developer, and operator.
