CONCLUSION

Football has changed a lot over the years. Today, football is played all over the world and it's the most famous sport in the world thanks to the simplicity of the game.

THE RULES

The rules of football are simple and easy to learn. The game is played on a rectangular field called a pitch. The pitch is divided into two halves by a center line. The goal is to get the ball into the opponent's goal.

EVOLUTION OF GAME

The first football game was played in the 13th century. It was a rough game with no rules. The game evolved over time and became the sport we know today.

THE GOALS

The goal is the most important part of the game. It is the target that the players are trying to reach. The goal is located at each end of the pitch.

EVOLUTION OF GAME

The game of football has evolved over time. In the 18th century, the game was played on a large, open field. The rules were simple and the game was played for entertainment.

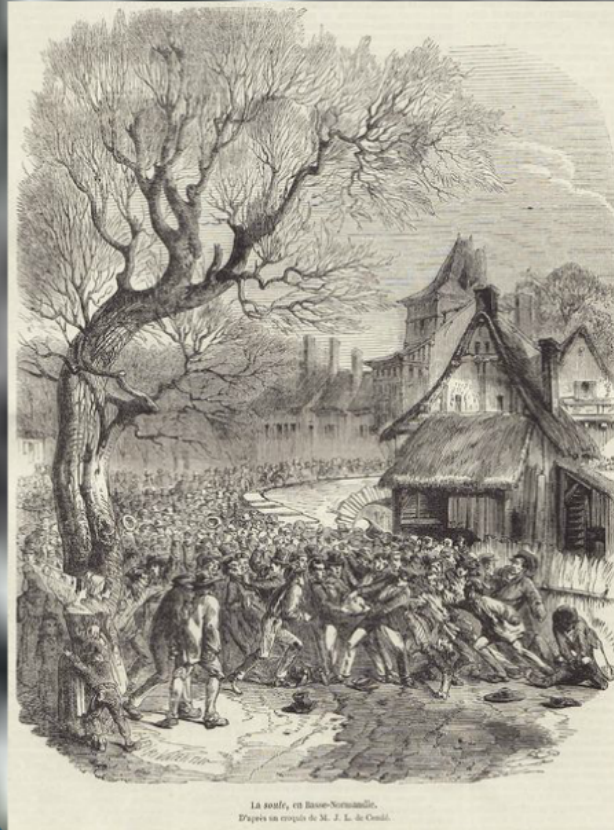

THE ORIGIN

Football was born in England in the 18th century. It was a game played by the poor people of the country. The game was simple and easy to learn.

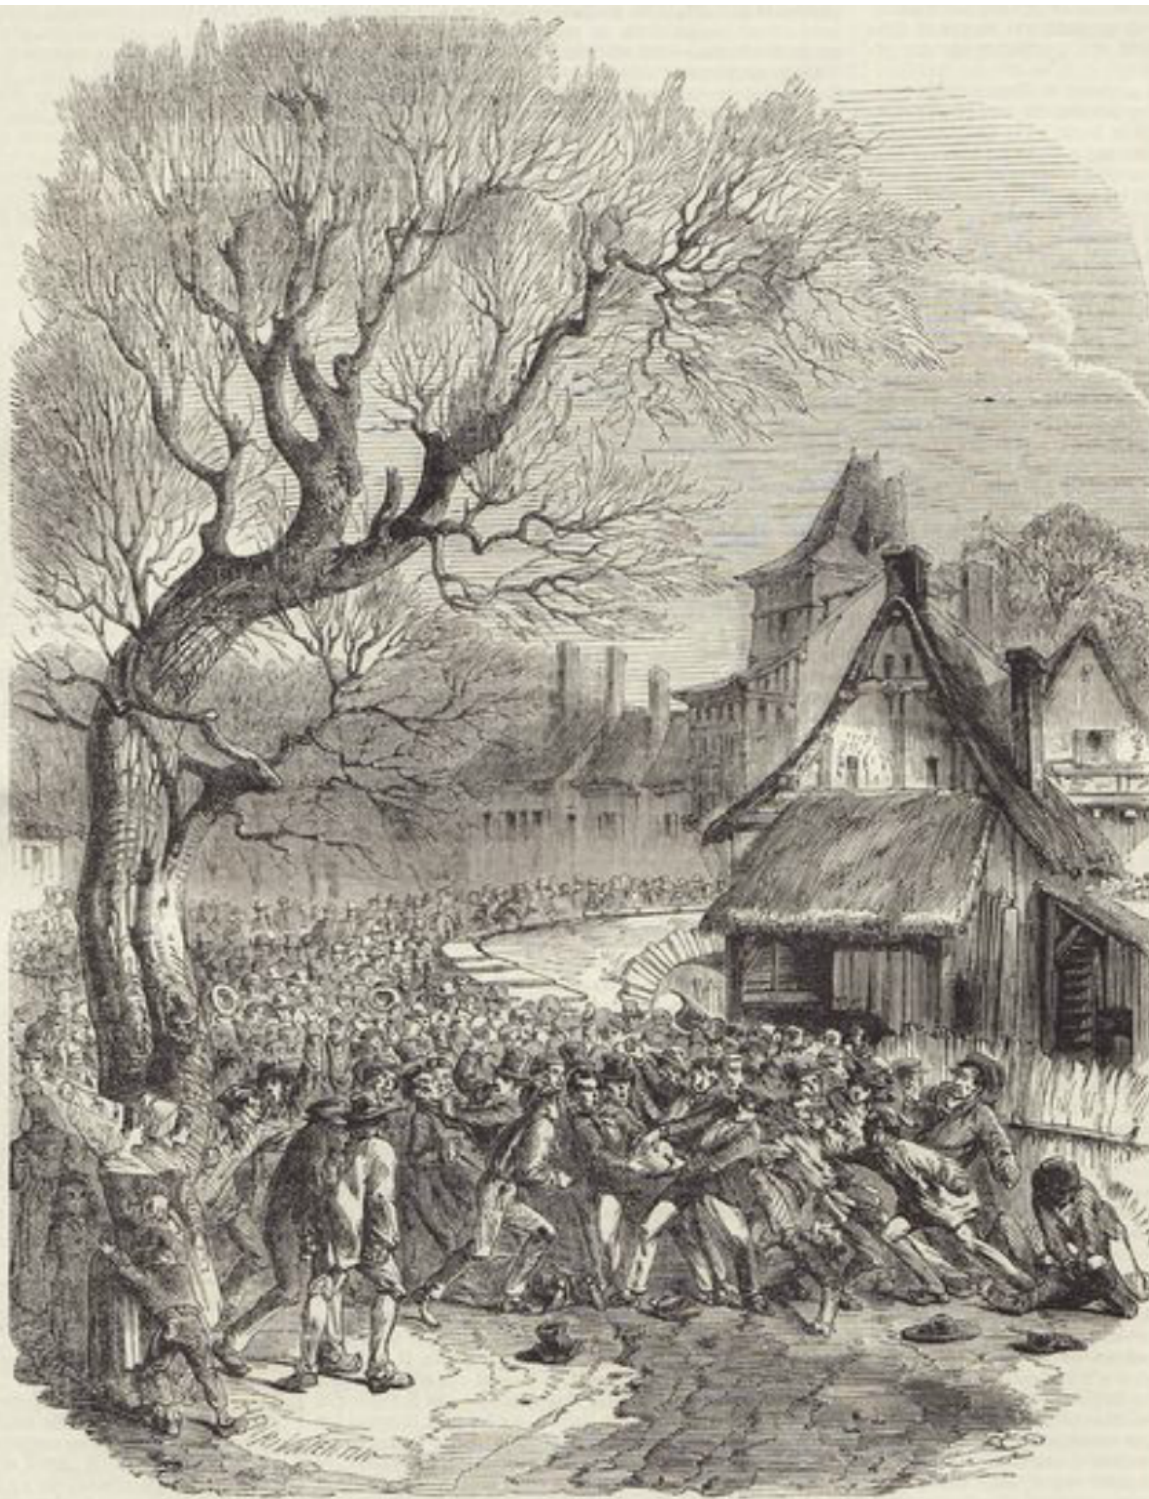

THE ORIGINS

La soule, en Basse-Normandie.
D'après un croquis de M. J. L. de Coudé.

Soule, also known as choule, is a traditional team sport that originated in Normandy and Picardy. The ball, called a soule, could be solid or hollow and made of either wood or leather. The game is taking place on Sunday evenings and it was very violent !!!
