How to complete the flight checklist.
 The flight checklist is a very important part of the pre-flight process. It is a list of items that the pilot must check before the flight. The flight checklist is used to ensure that the pilot has completed all the necessary tasks before the flight.

I'm Julian Jutz, future pilot.

Flying airplanes is what I like to do best.

Other things I enjoy include cooking, camping, climbing and spending time with friends. I am continuing to take flying lessons and will be ready to take my solo flight soon.

This summer I spent two weeks traveling in Germany with my dad and meeting my cousins.

I recently earned the BSA Eagle Rank.

I chose my topic because.....

it is my hobby and career of choice.

Thecasesolutions.com

Previous Knowledge

I had no knowledge about the requirements of becoming a pilot or the flight checks.

Three facts I learned about the challenges of becoming a pilot.

Thecasesolutions.com

- 1. Birds are hazards while flying**
- 2. You have to ask permission to fly over restricted areas**
- 3. You have to fly at certain altitudes while flying at a certain heading**

What did I make for my graduation product?

Thecasesolutions.com

I made a Flight Checklist flip booklet.

I produced a flight checklist booklet to help ensure that everything is set for a safe flight.

My research relates to my product regarding the challenges and safety steps necessary that all pilots face.

Thecasesolutions.com

My mentor is Jon Blaufuss.

He answers all my questions and is very knowledgeable about all aspects of flying.

Jon is a very enjoyable person to work with. He has a good sense of humor, is fun to learn with and is very encouraging.
