# *What Is Life Insurance?*

A life insurance policy is a contract with an insurance company. In exchange for premiums (payments), the insurance company provides a lump-sum payment, known as a death benefit, to beneficiaries in the event of the insured's death.

## *Cost of Life Insurance*

That depends on your age, your health and the size of the death benefit you want. No surprise that the younger and healthier you are, the lower your premium will be.
