Nature of The Work

Thecasesolutions.com

If you are accepted, you will then undergo fierce, ruthless training. You will train everyday, except for holidays, for years until you are placed in a group. In that group, you will produce music and learn choreography. You will debut with your group as a k-pop idol group and travel around the world, doing concerts almost everyday, produce new music, star in music videos, appear on variety shows, and possibly star in a drama, or TV show.
