Idea Generation
Thecasesolutions.com

I was representing government of Gujarat for Vibrant Gujarat Event for handling match making and business inquiries of overseas delegates and found that they are looking for one stop organized information on deals, sellers, buyers, intermediaries and investors. It is inspired from Hon.PM Shri Narendra Modi (erstwhile CM Gujarat) to come out with online platform for business exchange

Patents

- Index creation methodology
- Process roadmap
- Predictive Analytics model
- Integrated risk model
- Dynamic price discovery model
- Securitization model
- Integrated decision tree algorithm together with a neural network to assign dynamic weight to various criteria.
