# Government

We are a democratic socialism country. The people of Xanadu chose a leader by voting. Our law and order is maintained by list of laws and will be enforced by the police. Our goal in this country is that all citizens are treated equally and everyone has equal rights. The official language of Xanadu is English.

# Social Classes

There is some fluctuation in wealth. We mostly consist of middle class but all is the working class.

## Welfare

In Xanadu we have a specialized welfare system to provide citizens with actual necessities such as housing, clothing, food, and water. Some money will also be provided to those who need it by taxes.

## Domestic Policy Cont'd

### Unemployment

Xanadu has a special unemployment programs to provide work to citizens. Citizens who need jobs will build housing, bridges, painting murals and more to better the citizens and towns while keeping up with productivity.

# Laws

Here in Xanadu, we allow immigration as long as within the year of coming to Xanadu you apply to become a citizen. There is no censorship for marriage, anyone can marry anyone. Any person who has not committed a crime in their life time is allowed to carry a gun, but will have a background check.
