Teach For China and the Chinese Nonprofit Sector

Thecasesolutions.com

Thecasesolutions.com

The **Finland-China Education Association** is a national level, **non-profit** organization with the mission to assist governmental sectors, schools and individual actors to expand their network and to enhance their knowledge in the field of education between Finland and China. FICEA will support the development of the Finnish-Chinese cooperative relationship by providing resources and contacts for educators from both countries.

Our extensive network consists of Embassies of Finland and China and Ministries of Education, education associations, members of the parliament, top-level researchers, city councils, school principals as well as companies concentrated in the education area.
