Conference Paper  
Kizamu: A System For  
Sculpting Digital Characters

Thecasesolutions.com

An interesting discussion on the benefits of digital sculpting in its early phase of existence. This paper details the disadvantages of conventional modelling, the benefits of digital sculpting in its early developments and also lists industry demands and requirements of modeling software.

# Modeling Retopology Research Thecasesolutions.com

A forum where artists and  
other software users  
participate in sharing  
information.

In this particular message  
board, various methods  
of retopology and  
efficient modeling are  
discussed.

from the initial topology research, made an essay/  
pdf document, comprising my individual  
technical progress. This was created for a  
presentation and as a project proposal. Links to  
resources mentioned in the personal development  
web. Again are also in this report.

# Modeling 'Retopology' Personal Development Report

## Thecasesolutions.com

From the initial topology research, I made an issue/pdf document, compromising my individual technical progress. This was created for a presentation and as a project proposal. Links to resources mentioned in this personal development web diagram are also in this report.
