Everyone should be treated equally.

No man is better than no women.

Whether you are rich or poor, we should all be equal.

“To be or not to be, that is the question:” (Shakespeare)

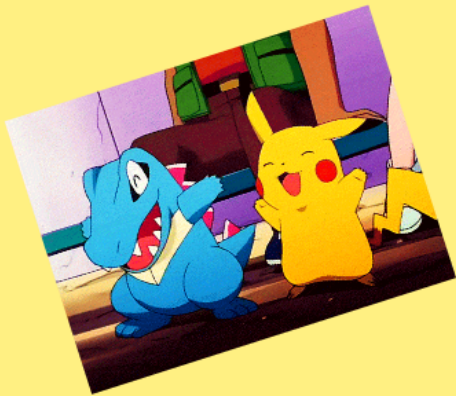

Tragedy occurs in every one's life.
And it affects everyone differently.
Some people, like Hamlet, take to it very depressingly.

“I don't know why I got this illness, but it did wonders for me, and I wouldn't want to walk away from it.” (Armstrong)

Then you have people like Lance Armstrong.
He lives after his tragedy.
Unlike Hamlet, he actually learned from it.

I see now that the circumstances of one's birth are irrelevant. It is what you do with the gift of life that determines who you are. (Mewtwo, Pokemon the First Movie)

People need to find a purpose in life.
And once you find it, you can go far.

What will YOU Be?

You get to choose in life what you want to be

Motivation is what sets you apart from someone else

Some have more than others

Thecasesolutions.com

Should we put a set "Value" on life?

No we shouldn't

Why?

Because everyone should be equal!
