Segmentation

Thecasesolutions.com

Our segmentation is based on **Age and Consumption** behavior

- Regular vodka drinkers tend to be loyal and price conscious, older males
- **Age group 21-35 years*** - constitutes to **40%** of the vodka market

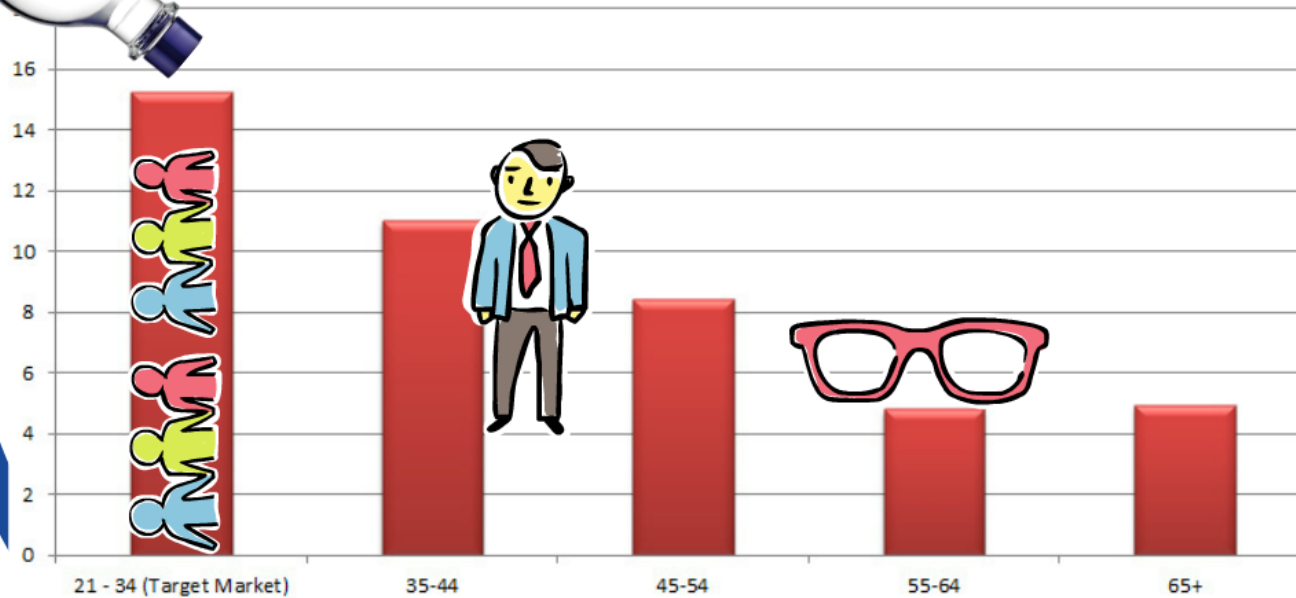

*Price conscious and not loyal- hence important to position well

Vodka Consumers by Age Group

Targeting

SVEDKA offered “soft and silky drinkability” targeting:

• **New Vodka drinkers** are willing to experiment

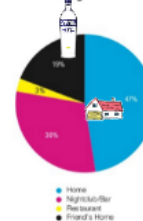

• **Upgraders**

The target market is **price-sensitive**, and the consumer perception was the look, quality and the origin of the vodka.
