CLicS

*Central Licensing System that we use to
create license keys for engineers.
In some cases these will be EME license keys.*

CLicS is an application under NOLS

Thecasesolutions.com

EME License Keys

Thecasesolutions.com

What it can be used for:

- 1) unexpected / sudden capacity needs due to network element or hardware failure*
- 2) temporary replacement of corrupted commercial license*
- 3) planned software upgrade in danger or postponed due to missing software license*
- 4) Nokia has delivered a smaller license capacity than the customer purchased*

What You Need

Thecasesolutions.com

- 1) Engineer's name*
- 2) Customer's company*
- 3) Product*
- 4) Sales item*
- 5) Engineer's email address*
- 6) Time zone*
- 7) Reason for creating the License Key*
- 8) Target ID(s)*

Things to Remember

Thecasesolutions.com

- *Only Nokia Employees can request a License Key*
- *EME License is sent automatically to the requester*
