- Kent Roach Article
- Do you Agree/Disagree?

# What is Carding?

The practice of police officers stopping civilians to collect identifying information by:

- asking an individual
- in a face-to-face encounter
- to identify him/herself or,
- to provide information for the purpose of identifying the individual

## **Ontario Regulation 58/16**

### **HISTORY**

- June 2015, Province announced it would develop new regulation to govern police interactions with the public
- Ministry released Ontario Reg. 58/16
- Came into force January 1, 2017
- Bans arbitrary and race-based collection of identifying information
