Introduction

- An overview of Totally You Research & Development
- Explanation of the Human Resource process

Planning
Recruiting
Interviewing
Selecting
Hiring of Employees

- Conclusion

Huffman Trucking

A native of Cleveland, Ohio, K. Huffman founded Huffman Trucking in 1936 with a single tractor-trailer. The growth of the company was the direct result of World War II and the increased demand for carrier services between factories in the Midwest to ports on the East Coast.

Huffman Trucking continued to grow from internal sales and the acquisition of five Eastern regional carriers. This growth has enabled Huffman Trucking to continue to be privately held.
