From Cfo To Ceo: The Change Of Role In The Company

Thecasesolutions.com

- Aakashi S. Shah FYBBA Roll No. : 409

Softing near expectations for some control of the control of the

Problem

- People- drivers of every organisation's success
- Yet, most CEOs undermine their HR function and CHRO

The CHRO can contribute to the organization just as powerfully as the CFO can, with the CEO's new permission

 Discussion of people should come before discussion of strategy.

Introduction

- In this presentation, we are going to talk about:
- Managing human capital- a top challenge for companies
 How can the role of CHROs be
- How G3- a triad of CEO, CH
 and CFO can be used to ste

Outcome

Through G3, HR is lifted into the inner sanctum
CHRO's contribution analogous to CFO's.

The beautiful for the contribution of the contribution o

Introduction

In this presentation, we are going to talk about:

- Managing human capital- a top challenge for companies
- How can the role of CHROs be redefined and elevated by CEOs
- How G3- a triad of CEO, CHRO and CFO can be used to steer a company

Problem

- People- drivers of every organisation's success
- Yet, most CEOs undermine their HR function and CHRO

• The C just as CEO's
