My french trip

I have just entered a soccer tournament with my team Real Madrid, we had won the finals and the winners get a free individual trip to any were in the world, I picked Ivory coast, because I have recently learn't French from my teacher madam Brown.

Right now I am on the 42 hour trip to the "Hotel Particular" one of the many luxurious hotels. In 3 hours i should be arriving at the hotel.

I cant wait till i arrive at the hotel, I have recently been researching their football teams and in the world they are surprisingly 1810 (one thousand-eight hundred-ten)
