The New Edition

- The most comprehensive coverage of AP Lit skills including sample close readings that model critical thinking, discussions of every step of the writing process, and more than 2,000 assignments that offer more occasions for writing.
- A new section that prepares students for the AP exam provides students with a list of recommended readings, exam-taking strategies, exam-style questions, and clear goals for every step.
- Three new case studies in the poetry section draw students in with engaging literature on the Harlem Renaissance, fine art, and world culture
- "When I Read" and "When I Write" section provide insights to author's reading and writing habits, managing writer's block, and how to start writing.
- NEW! 19 new stories, 90 poems, 4 plays
- Introductory letter to students from College Board workshop leader (and AP rock star) Danny Lawrence
