AT KASATSART UNIVERSITY
KAMPHANGSAEN CAMPUS
INTRODUCTION

Kasetsart University Kamphaeng Saen Campus (KU.KPS.) is an institution of higher education to teach students, to provide academic services to the community, to continue and nourish national arts and culture. KU.KPS is located on an area of around 7,800 rai, and contains a lot of tourist spots which interest and impress both local and foreign visitors. KU.KPS has also sport facilities for those who are interested, for example, 9-hole golf course, tennis court etc. KU.KPS is located on tourist routes to interesting provinces for tourism such as Kanchanaburi, Ratchaburi, Suphanburi and Ayutthaya. In KU.KPS, there are a large number of places for both agriculture and ecological tourism. Some places are complete and others are under development. If these are fully developed, KU.KPS will be potential to enhance Thailand’s tourist industry.

This report is intended to depict landmark of KU.KPS according to such saying as “only a picture represents beyond thousand words”
