Our Mission, Vision and Values

Mission: To create jobs for people with disabilities.

Our Mission, Vision and Values

Vision: To be the premiere employer of people with disabilities; the vendor of choice in the markets we serve; and the recognized leader in meeting the needs of individuals in overcoming barriers to employment.

Our Mission, Vision and Values

Mission: To create jobs for people with disabilities.

Our Mission, Vision and Values

Values: People: Working together we create a challenging and rewarding environment, energized by the knowledge that our efforts make a positive difference in the community and the world.

Customer: Our customers – partners in our mission – look to us for quality, responsiveness and value. .

Culture: Our success comes from the PRIDE way of doing business, characterized by entrepreneurship, integrity, passion, innovation, continuous improvement, safety, and a touch of zaniness.
