History

[TheCaseSolutions.com](https://www.thecasesolutions.com)

In 1966, a small group of devoted parents met in the basement of a church of Auburn, California. Their goal was to create an organization that would find meaningful work for their children with disabilities—and in the process, help those children transcend their disabilities. At that meeting, the idea for PRIDE Industries was born.

TheCaseSolutions.com **Kaneohe Commissary**

- 30 employees, 5 non-disabled
- Disabilities range from severe learning disabilities to deaf
- Accommodations are listed for each individual based on disability.
- Job coach training and assistance technology.
