# Project: Development of NGO for Refugees in Lebanon

By Telmo Piqueras and Abel Piqueras Candela

what my father does

my father decides on what NGOs the EU spends/donates money to, such as, UNICEF, UNHCR, etc...

the EU provides education for many refugees that come to Lebanon (Syria, Palestine, etc...)

There are 250,000 children in Lebanon that are not in school

a huge number of them are children

There are 44 million refugees in the world

the EU spends millions every year on helping refugees

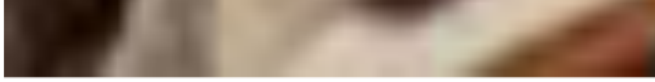

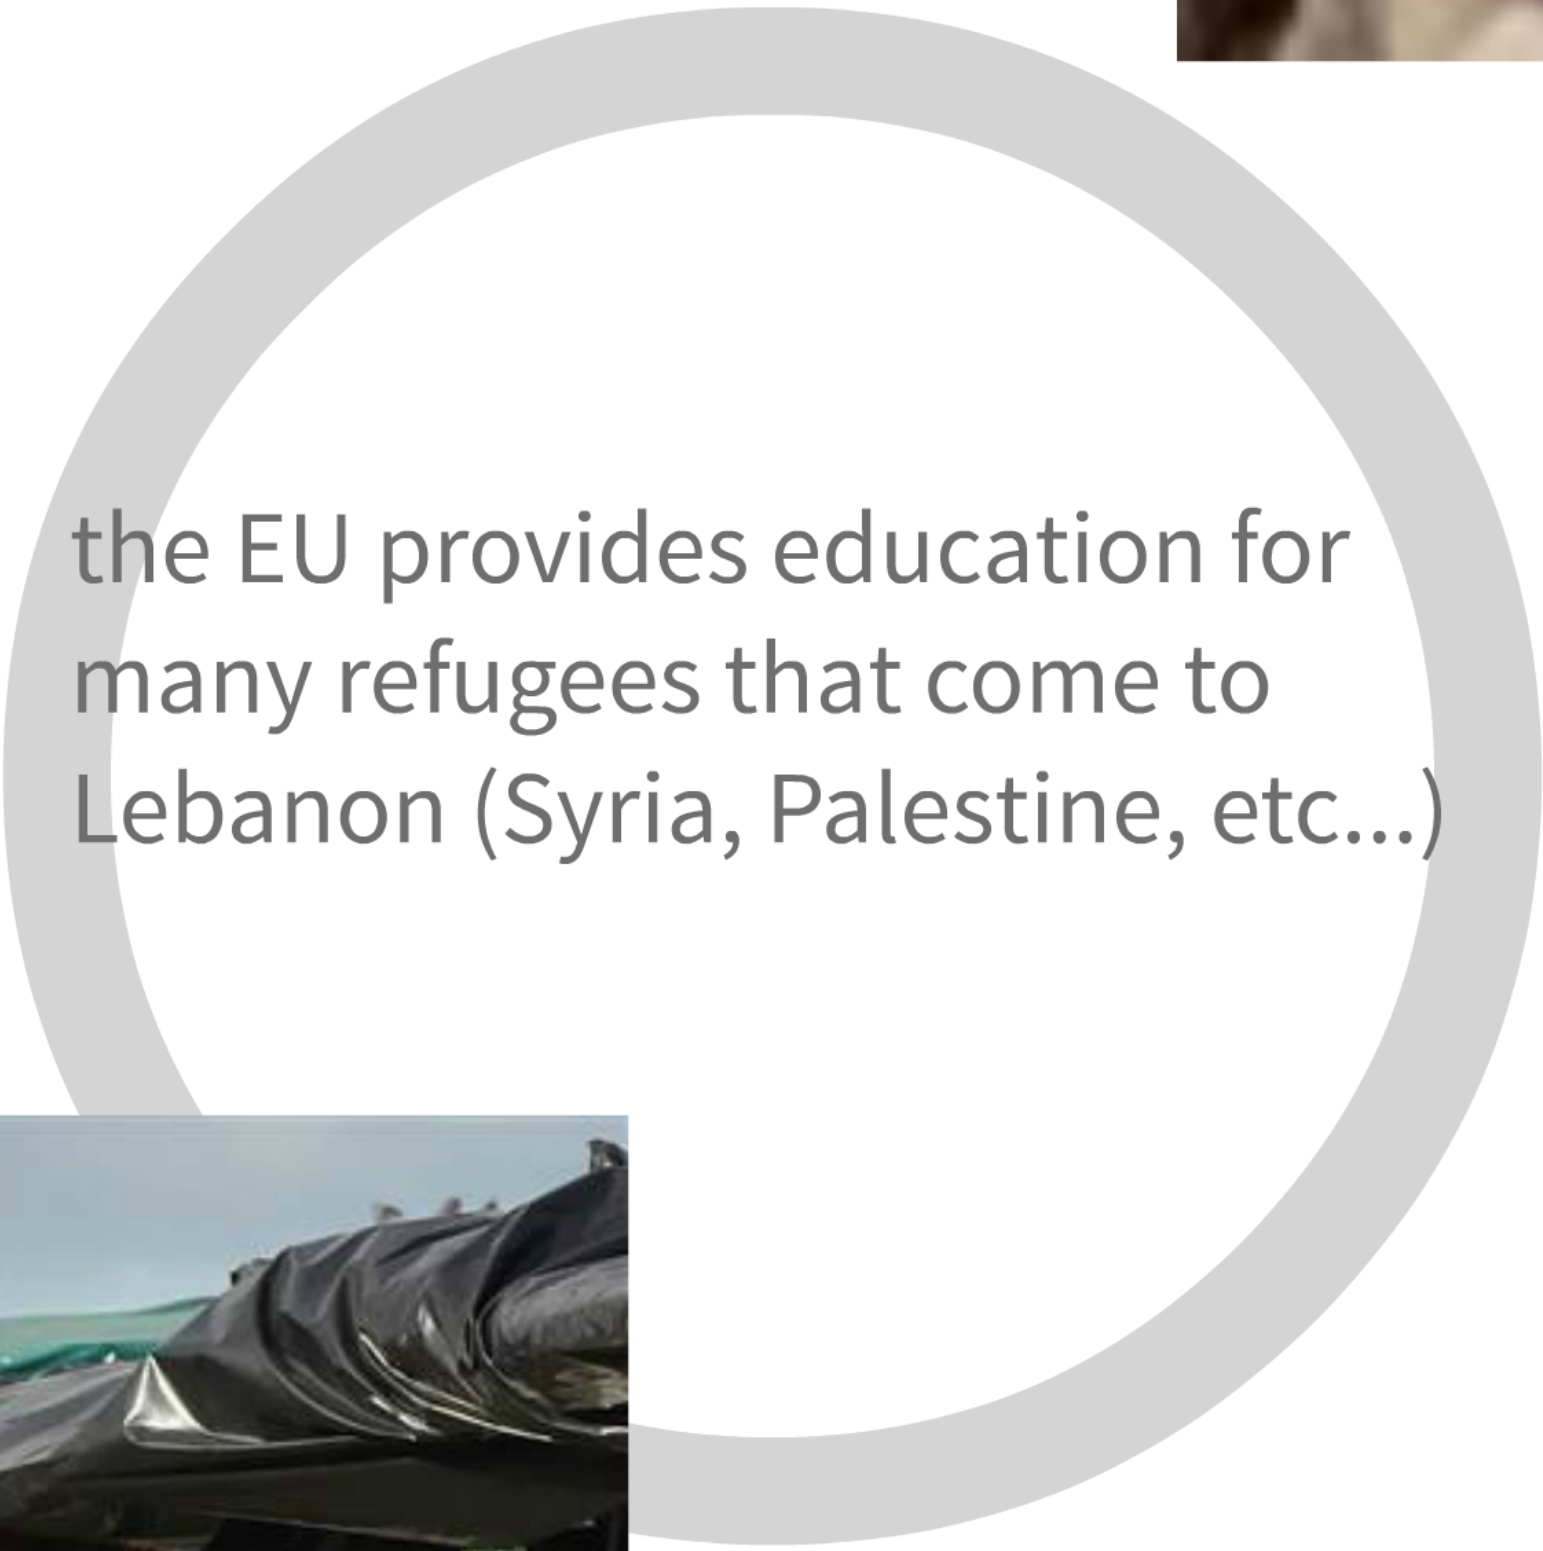

the EU spends millions every year on helping refugees. the EU helps non EU countries develop because it is on their policy charter to help less developed countries
