We are living
longer

And we are facing a crisis in elderly care as the baby boomer generation moves through society and into old age

Disease burden
increases with age.
But we cover many
of these disease in
other teaching
sessions

Rather than repeat these lectures

Today Jemma and I are going to focus on the following

1. Osteoporosis
2. Dementia
3. A general overview of the wider issues affecting the elderly populations

There will also be

1. A small game- a truly immersive experience!
2. For a select few - feelings of complete isolation
3. Mince pies
4. Chocolate for those who aren't mince pie fans

By the end of the next 1 -1.5 hours we aim to have educated you on these 3 key areas of elderly care and to have stimulated some thoughts

and fed you!
