## *Step One and Two*

---

Obtain financial resources by working, making investments, or owning property.

Plan how you will spend your money.

## *Steps Three and Four*

---

Spend your money wisely  
on things you can afford.  
Spending less than you  
earn is the only way to  
achieve financial security.

Financial security starts with  
a savings plan. Start to save  
your money on a regular  
basis.
