LITERATURE REVIEW METHODOLOGY

Thecasesolutions.com

Fact and Findings

Thecasesolutions.com

Existing System

Technique

- The Techniques used are either from the discipline of automated optimization, or other technique proposed by study the existing system and researchers.
- The purpose of information gathering, research and study is a way to find relevant information about whatever the need, functionality and design that is suitable for use in system involving the public.
- In addition, research on the internet, journals and case studies can also help to gather information and solve problems.
- All the techniques that will be used can avoid the idea of prevention, and increase the number of new approaches need to be taken.

Proper Cloths

Proper Cloth has become a go-to source for male-to-menswear shirts for even the most discerning menswear customer. The fact that customer can riposte everything from the collar to the sleeve length. With this system, it is hoped that the public after such measures will be further inspired. Proper Cloth creates a custom pattern for every customer and lets them choose from a multitude of collars, cuffs, pockets and more than 90 different fabrics. There are custom-fit shirts available, but no one does it with the same sense of panache and attention to detail as Proper Cloth.

LeBelle18

LeBelle18 website recommends you buy sewing, fabric and tools for children and adults of all ages. Moreover, LeBelle18 also provides an online sewing guide for those who are in doubt. Customer is required to measure the fabric, sew and fit it by following them. When customer places an order, you will receive an acknowledgment e-mail confirming the receipt of customer order. This mail will not be the only acknowledgment you will still receive to be updated on your order. As customer behavior may not be normal and we send you confirmation by email that the goods which customer ordered have been dispatched to customer. Only those goods listed in the confirmation e-mail and of the time of dispatch will be included in the contract letter.
