The American Dream

American Dream By Joseph Mangravilla

You certainly have food on your kitchen table
And a roof over a smart head - every citizen!
A great business, a family, friends, and career!
You, Champ, have realized the American dream.

The time has come for you to reach beyond
Beyond the dream, so to speak you can bond.
Let your skills, talents and capabilities show
Bring heaven down to earth by inventive design.

You make a debt-free score and don't fret
Hunting, fishing and sports are strategy divine.
Now cross the ocean, fly the air, just don't quit!

Listen to your call, embrace life opportunities!
Be all you can be, to live goals yourself commit.
Spread your wings and fly high beyond the skies.

The American Dream

American Dream By Joseph Mangraviti

You certainly have food on your kitchen table
And a roof over a smart head – very capable!
A great business, a family, friends and esteem!
You, Champ, have realized the American dream.

The time has come for you to reach beyond,
Beyond the dream, so to stardom you can bond.
Let your skills, talents and capabilities shine.
Bring heaven down to earth by attentive design.

You make a delicious sauce and also fine wine.
Hunting, fishing and sports are daringly divine.
Now cross the ocean, fly the air; just don't quit!

Listen to your call: embrace life opportunities!
Be all you can be: to fine goals yourself commit.
Spread your wings and fly high beyond the skies
