## American Dream By Joseph Mangraviti

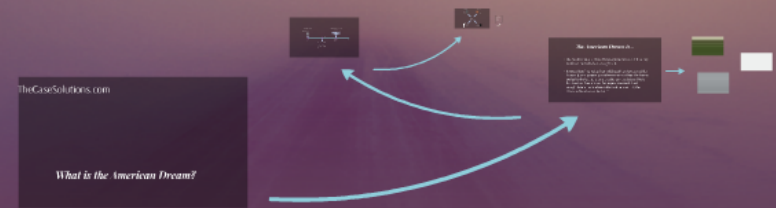

You certainly have had on your kitchen table  
And a not even a giant head—very capable!  
A great business, a family, friends, and values!  
You, Champ, have realized the American dream!

The time has come for you to reach beyond  
Beyond the dream, so in standard you can breed  
Use your skills, talents, and capabilities, show  
Living beyond down to earth by alternative design!

You make a delicious sauce and also the wine  
Basting, taking and sports and doing it alone  
Now cross the ocean, fly the air—just don't quit!

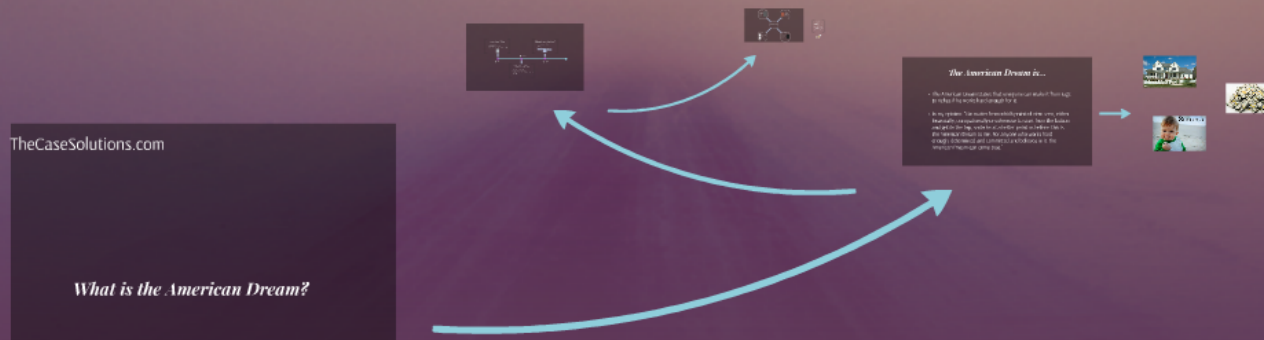

Listen to your call, embrace the opportunities!  
Be all you can be, to live yours yourself content!  
Spread your wings, and fly high beyond the seas!

You certainly have food on your kitchen table  
And a roof over a smart head – very capable!  
A great business, a family, friends and esteem!  
You, Champ, have realized the American dream.

The time has come for you to reach beyond,  
Beyond the dream, so to stardom you can bond.  
Let your skills, talents and capabilities shine.  
Bring heaven down to earth by attentive design.

You make a delicious sauce and also fine wine.  
Hunting, fishing and sports are daringly divine.  
Now cross the ocean, fly the air; just don't quit!

Listen to your call: embrace life opportunities!  
Be all you can be: to fine goals yourself commit.  
Spread your wings and fly high beyond the skies
