ONE

attention to their community of best interests, people and organizations to share an evenly one world in community that is:

- Self-empowering, self-sustainability provided
- obligated to be self-reliant and global forward
- able to learn from it
- These values will be learned from a place of love and abundance.
- As self-empowered people step in, their hearts need love, when their hearts are opened up, they are able to give the gift of love.

- They embrace reality and facts rather than denying truth.
- They are spontaneous.
- They are "focused on problems outside themselves." [12]
- They "can accept their own human nature in the stoic style, with all its shortcomings. [13] are similarly acceptant of others, and generally lack prejudice."

ONE VILLAGE
ONE EARTH
"Pay it Forward" FUND
TheCaseSolutions.com

Intention: To invite community of Self-Actualized people and organizations to create an entirely new model of community that is:

- love, joy, compassion, self-sustainability embodied
- designed to be self-replicating and gifted forward
- able to spread virally

These villages will be created from a place of love and abundance.

As self-actualized people step in, their basic needs (love, water, food, shelter) are provided (gifted). They are committed to paying this gift forward.
