## Who are the SRW?

Kelly

### Vision

#### Thecasesolutions.com

- They bring orthopedic, dental, eyes, plastic, etc.
- They try to work with groups inside of countries so they can get care to the people inside of that country.
- They provide on-site help to the people in very populated places. At those sites are medical professionals with the supplies that were donated by different companies.
- They concentrate on helping kid or teen under 18.

### Other

- They continue to give help to needy people with staff that are unpaid. With generous help from volunteers and supplier.
- Suppliers in clued hospital/clinic, Medical supply company, individuals. They give large equipment and medical supplies.
- It does not cost the children anything for the help.
- They have helped people in Guinea, Africa, Peru, Honduras, Nicaragua, Guatemala, El Salvador

### Goals

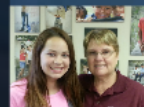

- To get help to populated places so they get the care that they deserve.
