Introducing the Future

Thecasesolutions.com

- SVEDKA is a brand of vodka manufactured in Kallby, Sweden by the company J&J Nordic in 1998.
- It was introduced to the US by **US Spirits & Marquee in 1999** and now is the second largest importer of vodka in the United States.
- Rated **93 on 100** by Wine Enthusiast and classified as a 'best buy'.

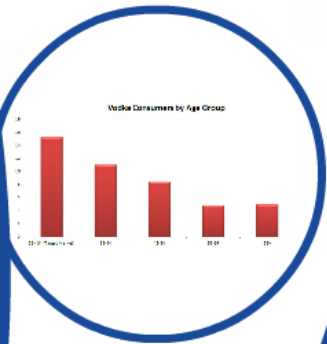

Segmentation

Thecasesolutions.com

Our segmentation is based on **Age and Consumption** behavior

- Regular vodka drinkers tend to be loyal and price conscious, older males
- **Age group 21-35 years*** - constitutes to **40%** of the vodka market

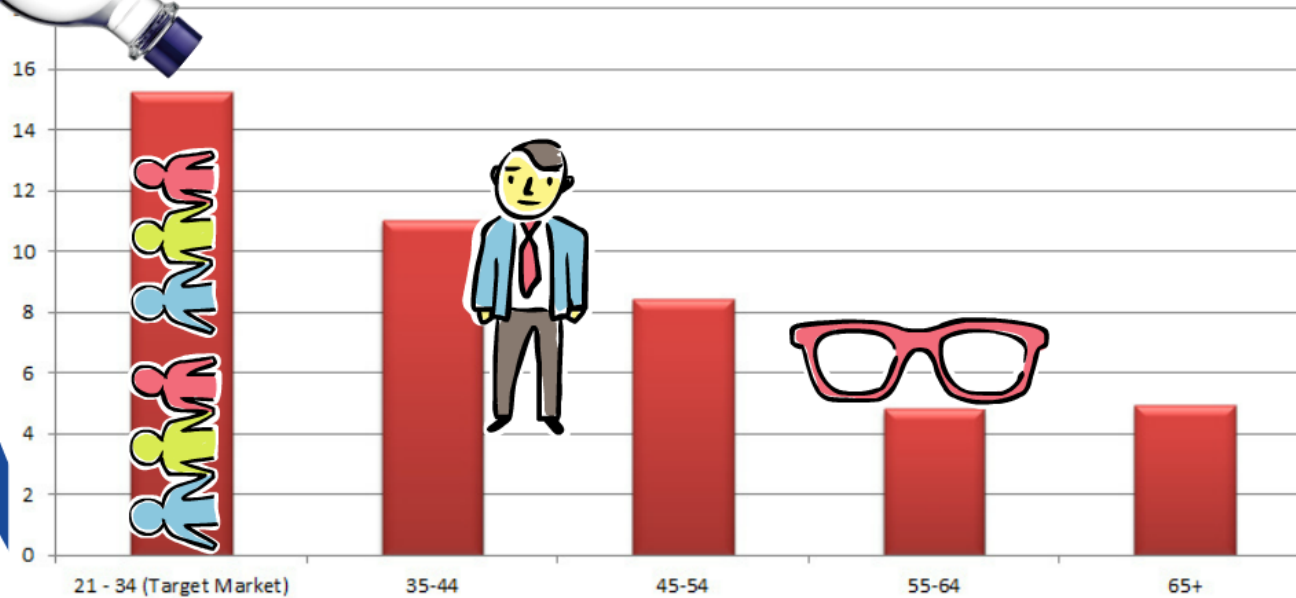

*Price conscious and not loyal- hence important to position well

Thecasesolutions.com

Vodka Consumers by Age Group

Targeting

SVEDKA offered “soft and silky drinkability” targeting:

• **New Vodka drinkers** are willing to experiment

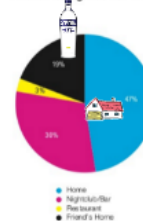

• **Upgraders** ✈️

The target market is **price-sensitive**, and the consumer perception was the look, quality and the origin of the vodka. 💰
