he fought in the war  
he was asked to go find a car full of  
bombs he found the car shot the guy in  
the car blew up and he woke up in a  
hospital never being able to see again

*historical context*

**Thecasesolutions.com**

on his recovery he was in the hospital  
living a really hard life he couldnt see so  
he just layed in his hospital bed for half  
of the time that he was there

*life lesson*

**Thecasesolutions.com**

what captain scotty smiley is trying to tell people in his story is that it doesnt matter if you are blind or even have one arm or leg you can do what other people can do you arent different just because your blind
