

Striking at the Queen
THECASESOLUTIONS.COM

the author was
George Orwell

they use comma
full stops and
capital letters

i think this
piece is a
horror

it was written in 1984

it was a dark dull, dusty, day in
december and the clock strikes the
queen

It doesn't
tell me the
characters or
where it is

it makes you want
to read the rest of
the book to find out
what happens

a sentence
on its own is
a cliff
hanger

it makes me
think that
something
tragic or
mysterious
will happen

Sounds like
something bad's
going to happen

going to happen
