Basketball Differences

Basketball:
The basketball used to be brown.
The basketball nowadays is an orange color.

Basketball Hoops:
They used to be peach baskets nailed ten feet above the floor and the backboards were made of wood.
Nowadays basketball hoops are round and metal with a net that the ball goes right through, and the backboard is made of glass with a square target.

Basketball Courts:
The first court was only half the size of today's courts.
Today's NBA court is 94ft by 50ft.

Rules:
In 1891 there was no dribbling in the game of basketball. Instead when you got the ball you had to stand still until you would pass the ball to another player.
In 1947 there dunks were illegal.

Facts

James Naismith was given 13 rules with a wooden ball and peach baskets to create the game of basketball. The rules were given to him at the Springfield YMCA in 1891. Basketball was first played with a soccer ball. In 1892 the basketball was made of wood and was called a peach basket. The name basketball was given to the game because the ball was thrown into the peach baskets.
