Wrestling

There are many forms of wrestling. There's pro wrestling, there's Greco-Roman, free style, and folk style.

Wrestling

folkstyle
s and other
es. Some
but all the
real
out their
whenever they

Pro wrestling

pro wrestling is a more extreme version of folkstyle wrestling using flips and other high flying techniques. Some call this sport fake but all the slams they take do real damage and they put their health on the line evrytime they perform
