A dark background with a purple circular border. A white pointer is visible at the top center, pointing towards the center of the circle. The background is filled with small, glowing square and dot patterns.

*Priority of Labor over Capital*

**Thecasesolutions.com**

# Thecasesolutions.com

the priority of labor over capital means that all those who operate in the economic system, whether private companies or state agencies, must ensure that all they do is directed to benefiting labor itself – people – rather than capital, mere things.
