 Communities and wider society

A world where...
 Larger numbers of social entrepreneurs get help to start up and scale up.
 People who have strong potential to drive social issues, now have the skills and confidence to do so.
 There is a supportive environment in which social or 'impact' teams can come forward and thrive.

And how will we get there?

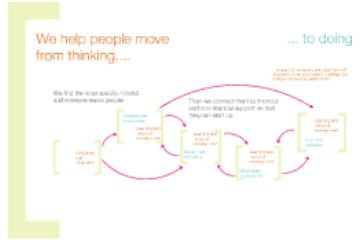

Thecasesolutions.com
 Backing people as social entrepreneurs in their communities
 Helping social entrepreneurs with high potential for growth to scale up
 Developing the social entrepreneur support sector into an effective system for help

Thecasesolutions.com
 Our support model is based on an understanding of the journey of social entrepreneurs... and the business of their ventures.
 The wider environment that social entrepreneurs work in affects this journey.

The idea of journeys underpins our support model

The idea of a journey also informs the way we work with people
