The screenshot shows a Google Sites page for "MISS Lair's 6th Grade" at "Richardson Elementary". The page is titled "Home" and was updated 2 hours ago. The main content area features a welcome message: "Welcome to MISS Lair's Class! On this site, you will find many useful resources to help you through the year! Click on the links to the side to view other helpful pages! :)". Below the text is a photo of four students working at a desk, captioned "6th Grade 2014-2015". The left sidebar contains a "Welcome!" section with a "Home" link and a "Meet Miss Lair" section with a photo of Miss Lair and a link to read about her. At the bottom of the sidebar, it says "63 days until First Day of School!". The footer contains copyright information and links to the school district and elementary website.

Visit our class website for curriculum info, resources for the students to use throughout the year, a homework assignment calendar, and other useful links!

The screenshot shows the YouTube channel page for Jacqueline Lair. The channel name is "Jacqueline Lair" and the view is set to "Yoursself". The channel has a banner image of a lake with a yellow kayak. Below the banner, there are navigation tabs for Home, Videos, Playlists, Channels, Discussion, and About. The "Created playlists" section shows five playlists: "6th Grade" (12 videos), "Class Videos" (2 videos), "ELA" (1 video), "Science" (9 videos), and "Social Studies" (2 videos). The "6th Grade" playlist is highlighted. The left sidebar shows the channel's navigation menu, including "6th Grade", "Social Studies", and "More". The bottom of the page features the YouTube logo, language and country settings, and a footer with links for About, Press, Copyright, Creators, Advertise, Developers, and +YouTube.

This year, we will use YouTube as a learning resource, supplementing lessons with informative video clips. We will also use YouTube as a platform in which we will upload videos we create within the classroom to be viewed.
