## Stage One: Unusual Circumstances of Birth

- In Superman's circumstances, he wasn't born royal but his parents had to send him away from his planet because it was going to explode. Therefore he was born without parents.

# Stage Three: An Event Leads to an Adventure

- The start of his adventure is when Superman's parents found out that their planet was going to be blown up and they decided to send their child to planet Earth. When he starts to grow up he starts to discover his super powers and takes advantage of them by protecting the human race.

## Stage Six: A Hero Must Prove Himself

- In this video Superman fights Bizarro, his alter ego. Even though he has fought off a lot of villains, fighting "himself" and winning really proves his strength.
