Open Source Edition

ZCS Open Source Edition is a free email and collaboration solution ideal for individuals or smaller organizations that do not require Zimbra Support, advanced administration, business continuity and only IMAP email on desktops and devices.

TheCaseSolutions.com

Starter Edition

ZCS Network Starter Edition is a software-only package with 15 Professional Edition mailbox licenses plus software & updates only with NO Zimbra Support. Additional mailbox licenses cannot be added; Zimbra Mobile and Zimbra Archiving and Discovery are included.

TheCaseSolutions.com

Standard Edition

ZCS Network Standard Edition is an enterprise-grade email and collaboration solution with no cap on the number of mailboxes that can be licensed. Zimbra Mobile and Zimbra Advantage Support (upgradeable to Premium) are also included.

TheCaseSolutions.com

Professional Edition

ZCS Network Professional Edition is an enterprise-grade email and collaboration solution with no cap on the number of mailboxes that can be licensed. It features Zimbra Mobile, Zimbra Connector for Outlook, Zimbra Advantage Support (upgradeable to Premium) and Zimbra Archiving and Discovery.
