WWF's goals for the future

WWF: To Be Truly Local And Truly Global

TheCaseSolutions.com

What is WWF?

WWF Global, is an organisation helping to prevent the extinction of endangered species.

Their "mission" is to <quote> "stop the degradation of our planets natural environment, and build a future in which humans live in harmony with nature."

WWF focuses it effort towards two broad areas:

- Biodiversity
- Footprint

TheCaseSolutions.com

What do they do?

As a whole, WWF helps:

- Restore the habitats
- Save critical species of wildlife
- And think of new ways to make clean energy.

TheCaseSolutions.com

How are they helping the environment?

Some of the places they are protecting are the:

- Amazon
- Arctic
- Coral Triangle
- Himalayas
- Bomeo
- Coastal east Africa

The WWF are coming up with different ways to make clean energy and keep the environment safe from harm.

TheCaseSolutions.com
