History of Disney
TheCaseSolutions.com
 Disney was founded by Walt Disney in 1923. The first product was the Mickey Mouse cartoon. The first movie was "Steamboat Willie" in 1928. The first theme park was "Disneyland" in 1955. The first Disney movie was "Snow White and the Seven Dwarfs" in 1937.

What to do with your class?
 Right now Disney would be a good idea and a strong idea. The first time we did it was in 1928. It was a big success. I think that Disney is still a good idea. It should be a good idea in the future.
