Sunnyside has a strong and diverse staff of 25, which includes 4 educational assistants and a child and youth worker.

Has a strong special education department with a large life skills room, but students are typically integrated into the classrooms with their peers most of the time.

Because of the diversity and size of the school, there is a strong emphasis on extracurricular programs and multiculturalism, so that there are opportunities for everyone to get involved.

Clubs and Extra-Curricular Activities

Athletic Council - comprising grade 8 students who are always lending a hand, whether it's with food sales, special events, or the management of sports equipment

Competitive Teams include soccer, football, volleyball, basketball, wrestling, and track & field.

Club teams are available for both sexes for football, volleyball, basketball, running club and zumba.

Intramurals are always popular as well, and correlate with the phys-ed program. A great place for some healthy inter-class competition!
