Transforming ASUSTeK: Breaking from the Past

TheCaseSolutions.com

Bad way to break up

A bad way to break up with someone is by texting them. A bad time to break up with them is in the middle of the night.

TheCaseSolutions.com

Talking with them

The length of them meeting shouldn't be less that 10 minutes.

TheCaseSolutions.com

Future meeting

You and the person that broke up should have future meetings to share how each person feels and

TheCaseSolutions.com

Respect the other person

When someone breaks up with you or you break up with them, you should respect their privacy and not follow them around

TheCaseSolutions.com

What shouldn't be said

If you are breaking up with someone you shouldn't say "It's not you its me." or it's their fault. If you meet with the person face-to-face don't scream at them

TheCaseSolutions.com

Meeting

When you break up you should tell the person how you really feel. You should meet them face-to-face as long as you have meet them in person before. The talk should be at least 10 - 15 minutes long.

TheCaseSolutions.com

Where and When

When you break up with someone you should do it during the day. You should break up with them in privacy so no rumors get spread around.
