Why Reading Wonders?

Reading Wonders **is the** **to unlocking the new Common Core State Standards and their rigorous expectations. It is the ONLY program on the market today that is *built from the ground up* to meet the challeges of the Common Core with the necessary scaffolding and support for teachers and students.**

With all of the components you expect in a reading program—plus a new Reading/Writing Workshop that is key to giving teachers the confidence that their students will achieve the aims of the Common Core—*Reading Wonders* is the right program, right now, to meet today's new challenges.

- Only program built from the ground up!
