"The sum in the drawer is piling up but at the present rate of accumulation will be more than \$100 short of my rent when the end of the month comes around" (Ehrenreich, pg 28).

Quote

"So unless I start using my car as residence, I have to find a second or an alternative job"(Ehrenreich, pg 28).

Barbra Ehrenreich was not able to live off of minimum wage. She made the effort to save up her money, but still had to work two jobs in order pay her rent.

Quote

"After being here, I don't think most of you would do this job" (Spurlock).

Quote

"I wouldn't get paid for this one today because it's not full" (Spurlock).
