Early Life

- William Tyndale was born about 1492-94 in Gloucestershire, England
- Studied languages, liberal arts, and scriptures at Oxford University; graduated in 1512
- Ordained to the priesthood in 1521
- Moved back to Gloucestershire to serve as a chaplain to a member of the local gentry

ainst

- Moved back to Gloucestershire to a member of the local gentry

Major Protest Against the Church

- Tyndale was disgusted by the corruptness and selfishness of the church
- He believed that the Bible should determine the practice and doctrines of the Church
- He also believed that people should be able to read the Bible in their own language

Contributions to the Reformation

- William Tyndale is most famous for translating the New Testament into English. He used the original Greek texts for his translation, as the Latin version likely had alterations and mistakes in it.
- Tyndale began the translation of the Old Testament, but was martyred before it was finished.
