Zensar: The Future of
Vision Communities (B)
ZenSar
TECHNOLOGIES
Pvt. Ltd. Hyderabad, India
TheCaseSolutions.com

Because we are the world's
most innovative and
most successful software
development firm

ver 14

TheCaseSolutions.com
Zensar Technologies is a
software services and solutions
powerhouse and falls within
India's Top 20 service solutions
companies as per NASSCOM and
is recognized for its robust R&D
initiatives by the DSIR India

Because of our vast experience over many
industries with industry focused teams in
Retail, Manufacturing, Banking, Insurance,
Energy and Utilities, Media and Connected
Services (Government, Education and
Healthcare), and then bringing results by
leveraging individual and combined
experiences
