The Company's production facilities comprise of spinning, weaving, processing, stitching and power generation.

**Nishat Chunian**

**Thecasesolutions.com**

From a modest start in 1990 with a spinning mill of only 14,400 spindles, Nishat Chunian Ltd. has grown to become the fourth largest textile company in Pakistan (in terms of sales). It is now a vertically integrated textile company with a yearly spinning production of 75,000 tons of yarn, 3 million metres of greige fabric in weaving and 4 million metres of finished fabric. All the processes are integrated and a captive power plant supplies uninterrupted power to all the units.

Today, Nishat Chunian Group consists of five companies – Nishat Chunian Limited (a textile company), Nishat Chunian Power Limited (a power generation company), Nishat Chunian USA Inc. (Incorporated in USA), Nishat Chunian Electric Corporation Ltd.(a captive power generation company) and Nishat Chunian Entertainment Pvt. Ltd. (an entertainment company).
