

The Good Commissioner (B)

Thecasesolutions.com

What is the main role of the commissioners of publicity in ASB?

- to inform the student body and faculty about the school's upcoming events and activities

Thecasesolutions.com

This Year We:

Thecasesolutions.com

- created the @PSHSUPDATES twitter account. (This made things easier to spread and publicize school activities happening at our school.)
- started to use the _picks instagram more.
- created posters for dances, sports, and other school events.
- along with posters, we hung up fliers around the school campus

Tips for the New Commissioners of Publicity

Thecasesolutions.com

Number 1

Publicity is a crucial task when there's only two people involved. It takes more than 2 to spread the news!

Number 2

Don't be afraid to delegate poster work. Publicity is a crucial task when there's only two people involved. It takes more than 2 to spread the news!

Number 4

Take your time on making posters if you can. You're going to feel like you need to rush, but honestly nobody wants to see a sloppy, boring poster.

Other Commissioners We Worked With:

- This year we worked with Commissioners of Fundraising to help announce the different class fundraisers that happened throughout the school year. Although we didn't have a Commissioner of Recognition, we created many heart attack posters for clubs and sports such as football, tennis, volleyball, theater, dance, etc.
